- Urns are hand crafted in Christchurch using New Zealand beech wood which is sustainably farmed and naturally durable.
- Urns can accommodate up to 20 words of engraving, which can also include symbols such as love hearts and paw prints (as well as others). Engraving can be on the top as well as the front of the urn for an additional fee (contact Fond Farewells for pricing).
- Gold, silver and black engraved plaques are an alternative to engraved wood.
- Urns can be lacquered in black or constructed in Rimu for an extra fee.
